School Reports for Az SAFE On-line
July 22, 2008

Reports for Az SAFE On-line are still being developed. Currently the best format for printing hard-copy reports is in Acrobat (PDF) format. To view and print Az SAFE reports in Acrobat (PDF) format, select the report you want on the report menu and select view. The report will be generated. When the report is viewable, select Acrobat (PDF) File, then select extract. This will bring up the report in Acrobat (PDF) format and it will be ready to print.

Report Header Information

Report headers include a variation of the following information; District Name, School Name, School CTDS, Incident ID, Incident Date or Date Range, and Page Number(s).

1. Incident Report

This report describes a single incident by providing the date, time, location, offender(s), violation(s), grade, gender, DOB, whether SPED or ELL for each offender, actions taken and completed, and the number of victim(s), witnesses, and bystander(s), and referring individual. If the incident was considered hate or gang related or there were costs incurred, it will be indicted on the incident report but will not show up if it does not apply.

2. Student Incident Report

This report describes a single incident for one offender including the offender's name, role, grade, SAIS or student ID, gender, DOB, date enrolled, and SPED, and ELL designations, as well as, referral date, person that made referral, time of incident, location, violation category(ies), violation(s), action category(ies) action(s) taken, action start and end dates, and action status, victim(s), witnesses, and bystander(s). If the incident was considered hate or gang related or there were costs incurred, it will be indicted on the incident report but will not show up if it does not apply.

3. Number of Type Violations by Violation Category

This report includes a table and bar chart for a school during a specified time frame. The table shows the number and percentage of violations by violation category. This table can be drilled down (opened up) to show the number and percentage of violations. The chart is a bar chart that shows the number and percentage of the most prevalent violations. The title of this report in the report drop-down menu will be changed to "Number and Percentage of Violations by Violation Category".
